<https://northshorepubliclibrary.org/online-children-programs/>

These virtual programs will be presented with the ZOOM platform. Please use this link to download Zoom: <https://zoom.us/signup> .

Sign Language Stories, Ages Newborn to 6 years with parent/caregiver

Fridays, May 15, 22, & 29, 10:00 AM

Sign Language Stories is an interactive program with theme stories, finger plays, and easy songs using the same signs to assist with caregiver/student retention. *Registrants will receive a Zoom ID and Password prior to the program*

Nature at Night: Grades K-5/Family

Wednesday, May 13, 3:00 PM

Students will discover some mysterious creatures that come out at night. They will learn how creatures like bats, owls and even bugs benefit our environment while we are asleep! *Registrants will receive a Zoom ID and Password prior to the program*

Crime Lab, Grades 3-5

Friday, May 15, 3:00-3:45 PM

Participants investigate a crime scene using techniques of fingerprinting, chromatography and various clues. The goal is to solve the crime of the missing Madagascar hissing roaches. *Registrants will receive a Zoom ID and Password prior to the program..*

Beautiful Butterflies, Family, Ages 3-7 years

Wednesday, May 20, 3:00 PM

Join Miss Michelle and discover the life cycle of a butterfly in this virtual science program. Observe live Painted Lady Butterflies in various stages of metamorphosis. *Registrants will receive a Zoom ID and Password prior to the program*

ArtSEA Kids, Grades K-5 **Rescheduled date**

Friday, May 22, 3:00 PM

During this Zoom presentation participants will be guided by local artist, and Cornell Cooperative Extension's Art + Science instructor, Carolyn Munaco in creating marine themed art using materials found in your home.

Registered participants will receive an e-mail prior to the program with a materials list as well as Zoom access information

Penguin Party, Family, Ages 3-7 years

Wednesday, May 27, 3:00 PM

Waddle over and join Miss Michelle for a virtual science program exploring penguins! Learn all about these amazing feathered friends. *Registrants will receive a Zoom ID and Password prior to the program*
